

Feature:

1. 1.31OLED display
2. Support 32 menus
3. Functions support user customization
4. Adopt UDP communication protocol
5. PoE power supply
6. Used in conjunction with DSP

Specification:

Control protocol	UDP
Control knob	1
Address setting method	TCP/IP
Signal line length	100 meters
Power supply	PoE
Connection port	RJ-45
Power consumption	<100mW
Color	white
Material	Aluminum alloy sandblasting
Control knob	1
Address setting method	TCP/IP
Signal line length	100 meters
