FionTu
方图集团

▶ Feature:

1. 4 touch screen
2. Support 32 control functions
3. Support volume control, mute, scene call, matrix switching, central control function
4. Universal installation, wall or surface installation
5. Functions support user customization
6. Adopt UDP communication protocol
7. PoE power supply, +12VDC power adapter
8. Support password entry

▶ Specification:

Resolution	480x480
Control protocol	UDP
Address setting method	TCP/IP
Signal line length	100 meters
Power supply	PoE & +12VDC
Connection port	RJ-45
Power consumption	<100mW
Color	gray
Opening size (WxDxH)	82x18.1x78mm
Product size (WxH)	88 x 88mm
