

Feature:

- 1. Support centralized control of 32 devices processing functions
- 2. DSP volume, mute, preset, matrix mixing, device status detection control
- 3. Functions support user customization
- 4. Adopt UDP communication protocol
- 5. PoE&DC 12V power supply

Specification:

Size	8 inches
Color	black
Screen type	IPS
Resolution	1280x800
Brightness	250cd/m2
System	Android 8.1
Main chip	Quad-core cortex-A17, RockChip RK3288
Memory	2GB
Storage	16G
Contrast	800: 1
Aspect ratio	16:9
Power input	DC 12V 1.5A & PoE IEEE802.3AT
Product size	212.2x147.6x31mm
Product weight	0.7Kg
