

Feature:

1. 8 buttons and one knob
2. Functions support user customization
3. UDP communication protocol
4. PoE power supply
5. Used in conjunction with DSP

Specification:

Programmable buttons	8, (supports user customization)
Control knob	1
Control protocol	UDP
Address setting method	TCP/IP
Signal line length	100 meters
Power supply method	PoE
Connection port	RJ-45
Power consumption	<100mW
Color	white
Material	aluminum alloy sandblasting
Appearance size	144X86mm
Standard wall box (width x height x depth)	137X82X57mm
